## We are Crystal Springs, Mississippi.

*We have been blessed.*

From the deepest depth, cool, refreshing, crystal clear water bubbled up from the earth and gave us a reason to gather. Those waters nourish our rich land and created a place where hard-working people could share food with the world. Our deep-rooted connection with nature continues today.

*We have been fed.*

As the railroad stretched out across the land, our packing sheds burst with the bounty of our soil and fueled a hard-working community. From the labors of the land came the aching tunes of the Blues made famous by the likes of Robert and Tommy Johnson whose influences can be heard in some of the greatest artists in the world. Our faithful connection with each other continues today.

*We have been led.*

Our Chautauqua Park, founded in a tradition of contemplation and spiritual realization, once again reaffirms our connection to our neighbors on the path of enlightenment. That support extends to the growing young minds of the nation as the first PTA was founded in that very park. Our steadfast dedication to knowledge continues today.

We are the cool slice of tomato on fresh white bread. We are the concert in the park. We are the festival-lined streets. We are the friendship that lasts a lifetime.

We are Crystal Springs and we invite you to visit, stay a spell, and taste a refreshing slice of home.

## Downtown Crystal Springs

plays host to great events such as the Crystal Springs Tomato Festival and Tomato 5K Run/Walk, held on the last Saturday of June each year, as well as the Taste of the Blues event held in the Spring.

Robert Johnson Blues Museum

Crystal Springs' historic 74-acre municipal park is home to wooded rolling hills, flowing springs, a 35-acre lake and the Tomato Museum. Visitors can explore trails that wind through the grounds, representative of wetland and dry upland environments, with bridges, gazebos, and stops where one can pause to enjoy nature and have a picnic. Walk the Tree Top Trail, a 1,500-foot long handicap-accessible elevated wooden boardwalk offering a squirrel's view of life in the woods. The playground has numerous structures where little ones and the young at heart can romp and have fun. The Chautauqua Park Disc Golf Course is one of the favorite courses of its kind in Mississippi.

## Attractions
