# Tapestry Segmentation Profile

Tapestry Segmentation classifies neighborhoods into 67 unique segments based not only on demographics but also socioeconomic characteristics. It describes US neighborhoods in easy-to-visualize terms, ranging from Soccer Moms to Heartland Communities.

Tapestry gives you insights to help you identify your best customers, optimal sites, and underserved markets by understanding customers' lifestyle choices, what they buy, and how they spend their free time.

## Heartland Communities

6F

**Households:** 2,850,600

**Average Household Size:** 2.39

**Median Age:** 42.3

**Median Household Income:** \$42,400

### WHO ARE WE?

Well settled and close-knit, *Heartland Communities* are semirural and semiretired. These older householders are primarily homeowners, and many have paid off their mortgages. Their children have moved away, but they have no plans to leave their homes. Their hearts are with the country; they embrace the slower pace of life here but actively participate in outdoor activities and community events. Traditional and patriotic, these residents support their local businesses, always buy American, and favor domestic driving vacations over foreign plane trips.

### INCOME AND NET WORTH

Net worth measures total household assets (homes, vehicles, investments, etc.) less any debts, secured (e.g., mortgages) or unsecured (credit cards). Household income and net worth are estimated by Esri.

#### Median Household Income

#### Median Net Worth

### OUR NEIGHBORHOOD

- Rural communities or small towns are concentrated in the Midwest, from older Rustbelt cities to the Great Plains.
- Distribution of household types is comparable to the US, primarily (but not the majority) married couples, more with no children, and a slightly higher proportion of singles (Index 112) that reflects the aging of the population.
- Residents own modest, single-family homes built before 1970.
- They own one or two vehicles; commutes are short (Index 82).

### SOCIOECONOMIC TRAITS

- Retirees in this market depress the average labor force participation rate to less than 60% (Index 94), but the unemployment rate is comparable to the US.
- More workers are white collar than blue collar; more skilled than unskilled.
- The rural economy of this market provides employment in the manufacturing, construction, utilities, healthcare, and agriculture industries.
- These are budget savvy consumers; they stick to brands they grew up with and know the price of goods they purchase. Buying American is important.
- Daily life is busy, but routine. Working on the weekends is not uncommon.
- Residents trust TV and newspapers more than any other media.
- Skeptical about their financial future, they stick to community banks and low-risk investments.

### MARKET PROFILE (Consumer preferences are estimated from data by GfK MRI)

- Traditional in their ways, residents of *Heartland Communities* choose to bank and pay their bills in person and purchase insurance from an agent.
- Most have high-speed Internet access at home or on their cell phone but aren't ready to go paperless.
- Many residents have paid off their home mortgages but still hold auto loans and student loans. Interest checking accounts are common.
- To support their local community, residents participate in public activities.
- Home remodeling is not a priority, but homeowners do tackle necessary maintenance work on their cherished homes. They have invested in riding lawn mowers to maintain their larger yards.
- They enjoy country music and watch CMT.
- Motorcycling, hunting, and fishing are popular; walking is the main form of exercise.
- To get around these semirural communities, residents prefer domestic trucks or SUVs.

## Family Foundations

12A

Households: 1,299,600

Average Household Size: 2.71

Median Age: 39.6

Median Household Income: \$43,100

### WHO ARE WE?

Family and faith are the cornerstones of life in these communities. Older children, still living at home, working toward financial independence, are common within these households. Neighborhoods are stable: little household growth has occurred for more than a decade. Many residents work in the health care industry or public administration across all levels of government. Style is important to these consumers, who spend on clothing for themselves and their children, as well as on smartphones.

### INCOME AND NET WORTH

Net worth measures total household assets (homes, vehicles, investments, etc.) less any debts, secured (e.g., mortgages) or unsecured (credit cards). Household income and net worth are estimated by Esri.

#### Median Household Income

#### Median Net Worth

### OUR NEIGHBORHOOD

- *Family Foundations* residents are a mix of married couples, single parents, grandparents, and children, young and adult.
- Average household size is slightly higher at 2.71.
- Neighborhoods are found in principal cities of major metropolitan areas throughout the South and West.
- More than two-thirds are homeowners living in single family houses built before 1970.
- Nearly three-fourths of all households have one or two vehicles at their disposal; average commute time is slightly higher.

### SOCIOECONOMIC TRAITS

- More than half have either attended college or obtained a degree; one-third have only finished high school.
- Unemployment rate is high at 10% (Index 191); labor force participation rate is slightly lower at 58% as workers begin to retire.
- Over one-third of households currently receive Social Security benefits; just under a quarter draw income from retirement accounts.
- A strong focus is on religion and character.
- Style and appearance is important.

### MARKET PROFILE (Consumer preferences are estimated from data by GfK MRI)

- Baby and children's products are the primary purchases made by *Family Foundations* residents.
- They shop at discount stores, such as Marshalls, KMart, dollar stores, and take advantage of savings at Sam's Club.
- Many have no financial investments or retirement savings.
- Magazines, particularly focusing on health and children, are popular.
- They enjoy listening to urban format radio.
- One of their favorite entertainment sources is television: subscribe to premium cable channels and own 3–4 TVs.
- They're connected, but use the Internet primarily for entertainment, chat rooms, and online gaming.

## MARKET ANALYSIS

# Tapestry Segmentation Profile

### LifeMode Group: Hometown Traditional Living

12B

**Households:** 2,395,200

**Average Household Size:** 2.51

**Median Age:** 35.5

**Median Household Income:** \$39,300

### WHO ARE WE?

Residents in this segment live primarily in low-density, settled neighborhoods in the Midwest. The households are a mix of married-couple families and singles. Many families encompass two generations who have lived and worked in the community; their children are likely to follow suit. The manufacturing, retail trade, and health care sectors are the primary sources of employment for these residents. This is a younger market—beginning householders who are juggling the responsibilities of living on their own or a new marriage, while retaining their youthful interests in style and fun.

### INCOME AND NET WORTH

Net worth measures total household assets (homes, vehicles, investments, etc.) less any debts, secured (e.g., mortgages) or unsecured (credit cards). Household income and net worth are estimated by Esri.

#### Median Household Income

#### Median Net Worth

### OUR NEIGHBORHOOD

- Married couples are the dominant household type, but fewer than expected from the younger age profile and fewer with children (Index 79); however, there are higher proportions of single-parent (Index 146) and single-person households (Index 112).
- Average household size is slightly lower at 2.51.
- Homes are primarily single family or duplexes in older neighborhoods, built before 1940 (Index 228).
- Most neighborhoods are located in lower-density urban clusters of metro areas throughout the Midwest and South.
- Average commuting time to work is very short (Index 22).
- Households have one or two vehicles.

### SOCIOECONOMIC TRAITS

- Over 70% have completed high school or some college.
- Unemployment is higher at 7.3% (Index 134); labor force participation is also a bit higher at 63.4%.
- Almost three quarters of households derive income from wages and salaries, augmented by Supplemental Security Income (Index 139) and public assistance (Index 152).
- Cost-conscious consumers that are comfortable with brand loyalty, unless the price is too high.
- Connected and comfortable with the Internet, they are more likely to participate in online gaming or posting pics on social media.
- TV is seen as the most trusted media.

### MARKET PROFILE (Consumer preferences are estimated from data by GfK MRI)

- They shop for groceries at discount stores such as Walmart supercenters; Kmart is also a favorite for apparel and sundry household and personal care products.
- Convenience stores are commonly used for fuel or picking up incidentals like lottery tickets.
- They tend to carry credit card balances, have personal loans, and pay bills in person.
- Half of households have abandoned landlines for cell phones only.
- They watch their favorite channels including ABC Family, CMT, and Game Show Network.
- They're fast food devotees.
- They enjoy outdoor activities such as fishing and taking trips to the zoo.

LifeMode Group: Hometown

## Modest Income Homes

12D

Households: 1,627,600

Average Household Size: 2.56

Median Age: 37.0

Median Household Income: \$23,900

### WHO ARE WE?

Families in this urban segment may be nontraditional; however, their religious faith and family values guide their modest lifestyles. Many residents are primary caregivers to their elderly family members. Jobs are not always easy to come by, but wages and salary income are still the main sources of income for most households. Reliance on Social Security and public assistance income is necessary to support single-parent and multigenerational families. High poverty rates in this market make it difficult to make ends meet. Nonetheless, rents are relatively low (Index 70), public transportation is available, and Medicaid can assist families in need.

### INCOME AND NET WORTH

Net worth measures total household assets (homes, vehicles, investments, etc.) less any debts, secured (e.g., mortgages) or unsecured (credit cards). Household income and net worth are estimated by Esri.

#### Median Household Income

#### Median Net Worth

### OUR NEIGHBORHOOD

- Households are single person or single parent (usually female householders). Multigenerational families are also present.
- Homes are predominantly single family; values reflect the age of the housing, built more than 60 years ago.
- Over half of the homes are renter occupied; average rent is lower than the US average.
- Most households have one car (or no vehicle); nearly a third rely on car pooling, walking, biking or public transportation.

### SOCIOECONOMIC TRAITS

- Almost a quarter of adults aged 25 or more have no high school diploma.
- Labor force participation is only 50%, with unemployment at almost three times the US rate.
- Income is less than half of the US median income; more than one in three households are in poverty, dependent on Social Security, public assistance, and Supplemental Security Income.
- Consumers in this market consider traditional gender roles and religious faith very important.
- This market lives for today, choosing to save only for a specific purpose.
- They favor TV as their media of choice and will purchase a product with a celebrity endorsement.

### MARKET PROFILE (Consumer preferences are estimated from data by GfK MRI)

- To make ends meet, consumers shop at warehouse clubs and low-cost retailers.
- Unlikely to own a credit card, they pay their bills in person.
- This market supports multigenerational families; they are often primary caregivers for elderly family members. On average, *Modest Income Homes* residents have a higher reliance on Medicaid.
- For entertainment, they listen to gospel and R&B music and prefer to watch BET.
- The recreational activity of choice for residents is basketball.

LifeMode Group: Rustic Outposts

## Rural Bypasses

10E

**Households:** 1,646,400

**Average Household Size:** 2.55

**Median Age:** 40.4

**Median Household Income:** \$33,000

### WHO ARE WE?

Open space, undeveloped land, and farmland characterize *Rural Bypasses*. These families live within small towns along country back roads and enjoy the open air in these sparsely populated neighborhoods. Their country lifestyle focuses on the outdoors, gardening, hunting, and fishing. They are more likely to own a satellite dish than a home computer. Although a majority of households do have a connection to the Internet, their use is very limited. Those who are not yet retired work in blue collar jobs in the agriculture or manufacturing industries.

### INCOME AND NET WORTH

Net worth measures total household assets (homes, vehicles, investments, etc.) less any debts, secured (e.g., mortgages) or unsecured (credit cards). Household income and net worth are estimated by Esri.

#### Median Household Income

#### Median Net Worth

### OUR NEIGHBORHOOD

- An older market, with more married couples without children and single households, the average household size is slightly lower at 2.55.
- Most residents own single-family homes, or mobile homes (Index 504).
- Most housing was built from 1970 to 1989; vacancy rates are higher due to seasonal housing.
- Residents live in very rural areas, almost entirely in the South.

### SOCIOECONOMIC TRAITS

- Education is not a priority in this market. Almost 25% have not finished high school; only 11% have a bachelor's degree or higher.
- Unemployment is very high at 9% (Index 161); labor force participation is low at 47% (Index 76).
- Income is primarily derived from wages; however, dependence on Social Security and Supplemental Security Income is above average.
- Religion, faith, and traditional values are central in their lives.
- Many have a pessimistic outlook of their household's financial well-being.
- They rely on television to stay informed.

### MARKET PROFILE (Consumer preferences are estimated from data by GfK MRI)

- Typical of their country lifestyle, *Rural Bypasses* residents prefer trucks over sedans.
- To save money, households shop at discount department stores, such as Walmart, and warehouse clubs like Sam's Club.
- Magazines are a popular source of news and entertainment, particularly fishing, hunting, and automotive types.
- As satellite TV subscribers, they regularly watch sports programming as well as their favorite shows on CMT, ABC Family, USA Network, and TV Land.
